Assistance for Limited English Proficient Populations

The San Leandro Transportation Management Organization (SLTMO) is committed to helping people with limited proficiency in the English language access the agency's essential public information and services. The SLTMO works to ensure that all persons have meaningful access to its programs, services, and information, free of charge. The SLTMO has procedures in place to assist San Leandro employees, employers and residents who are not proficient in the English language.

SLTMO's Plan for Special Language Services to Limited English Proficient Populations is available to read online at www.sanleandrolinks.org. Interested persons also may request copies by calling 510-577-3315.
